ACCIDENT ON THE GRAVITY RAILROAD.

Owen McDonough, after receiving very serious injuries on the gravity railroad at the head of plane No. 28, yesterday morning, was brought to the Emergency hospital for treatment. It appears that while unhooking a trip of cars he lost his balance and fell upon the track in front of the cars. Nine cars passed over his right arm. Dr. Wheeler found it necessary to amputate the arm near the shoulder blade. The operation was performed by Drs. Wheeler, Gillis and Jenkins, of this city, and Dr. Blakelee, of Forest City. The unfortunate sufferer bore the operation with great fortitude, and is now doing well, considering the nature of the injury. Mr. McDonough is a young, unmarried man, the son of William McDonough, of Gordon avenue. He is a brother of Miss Ella McDonough, who lost her life a few weeks ago on the gravity road, near her home. Much sympathy is felt for the family so greatly afflicted.
